

In moments of
Weakness
In moments of
Doubts
In moments of
Peace
In moments of
Fights
I have learned
I have grown
I have endured
I have yearned
I have weathered
I will remember
The gifts
I will remember
The joys
I will remember
The moments of
Laughter
I will remember
The love
I will remember
The good
I will remember
That each day
I breathe
Is a blessing
Breathe deep...
